

PHUKET BEACH EXTENSION 4 DAYS

Since the 1980s, the sandy beaches on the west coast of the island have been developed as tourist destinations, with Patong, Karon, and Kata being the most popular. Phuket is being intensely developed, with many new hotels, apartments, and houses under construction. In July 2005, Phuket was voted one of the world's top five retirement destinations by Fortune Magazine. In 2017, Phuket received about 10 million visitors, most of them foreign, with China the leading contributor. Tourists generated some 385 billion in revenues, nearly 14 percent of the 2.77 trillion baht earned by the nation as a whole
